Volunteer of the Year Award was presented to Dr. David Lucke, M.D. on August 24. He has volunteered at the clinic since 2015.

“Dr. Lucke has served our ministry with great compassion and care,” said outgoing Executive Director Carolyn Bowling. “During the COVID-19 pandemic, we’ve often depended on his wisdom and flexibility as we’ve found creative ways to care for our patients. He’s always available and generous with his time.”

Dr. Lucke said he was humbled to receive the award. “It’s an honor to volunteer with such a great group of people.”
